

One Year – Fast Track Programme
Commencing on the 1st of September 2024
Full-time

**Do you want to join one of the leading actors
within the dry-bulk shipping industry?**

At XO Shipping, we are looking for trainees to join our team of outstanding professionals at our headquarters in Hellerup.

As a trainee at XO Shipping, you will join our team to gain extensive knowledge and experience with the main areas of shipping. You will join our various departments and a mentor will be dedicated to you in each department.

We are looking for candidates to join our training programme, both to launch a career at XO Shipping and go beyond.

We offer a tailored Fast Track Programme to people with a relevant bachelor's degree from academic institutions in Denmark or abroad. A steep learning curve will add a practical supplement to your education's theoretical knowledge, as you will get valuable hands-on experience with every department at XO Shipping through daily tasks from your manager.

Every trainee at XO Shipping gets a proper career opportunity with plenty of room for personal growth and professional development. The successful candidate will get the opportunity to grow within XO Shipping as a core team member for years to come. Our programmes are extensive and challenging, and therefore we encourage our trainees to prioritize work and education. In return, you will gain priceless experience and skills, as you will be part of one of the strongest teams in the industry, where a positive social atmosphere and a great team spirit contribute to a workplace like no other. As we love to socialize, we hope you want to participate in many of our social events and activities.

About You

- You hold a B.Sc. in International Shipping and Trade, Maritime Studies, or another relevant bachelor's degree
- You have business acumen and an analytical mindset
- You have excellent social skills and a desire to contribute to a positive atmosphere
- You are open-minded and a great team player
- You have a keen interest in and strong desire to build a career within the shipping industry
- You are self-motivated and able to multitask
- You have international experience through work or studies and a global mindset with excellent English communication skills
- Experience from the Shipping Industry and being bilingual is considered an advantage

What We Offer

- A great start to your career in shipping
- A narrow focus on your continuous professional and personal development from experienced professionals
- Profound knowledge of the shipping industry
- Highly motivated colleagues to support your progress
- International working experience
- Daily contact to market-leading global customers, suppliers, and colleagues from all over the world
