

Legal Counsel for IBM Denmark

RESOLVA is on behalf of IBM looking for a commercial lawyer with a strong interest in contract drafting and negotiations

Your Role and Responsibilities

You will join IBMs Danish legal team in Brøndby, but also become part of an experienced and highly appreciated Nordic Legal Team. The Nordic Legal Team works closely with the company's business units.

The working environment is very international and the Nordic Legal Team is an integrated part of a global legal organization offering vast opportunities for learning and skills development.

Your main responsibility will be to support the Danish business by negotiating and providing legal advice relating to different types of IT services agreements including Cloud & AI services and a wide range of IT consultancy services. Your role will also involve some work within other areas of law such as labour, marketing and corporate law.

Your background

You hold a Master of Law degree from a Danish University with at least 4 years of relevant experience after graduation from a law firm and/or a legal department in an international company. Experience with IT services agreements would be an advantage but is not a requirement.

To succeed in the role, a proactive work approach with a strong sense of ownership and leadership is important. Further, a growth mindset is key since you will have the opportunity to continuously learn and build expertise.

Qualities we are looking for and value are:

- The ability to show integrity under pressure and balance the requirements of different internal and external stakeholders.
- Problem-solving skills with an ability to find creative legal solutions to complex issues.
- A hands-on and can-do approach.
- Agility and a strong sense of ownership and leadership.
- Strong communication skills and working proficiency (verbal/written) in Danish and English.
- Being a team player and having a great sense of humor

If you are the person we are looking for, please send a short introduction of yourself together with your CV and exam papers to RESOLVA, that assists IBM with the recruitment process, on info@resolvalaw.com or call Lene Mælum on phone 60683065 to hear more about the role.

We are looking for you to start as soon as possible.

Calls for interviews will be arranged as applications are received.

About IBM

We believe that through the application of intelligence, reason and science, we can improve business, society and the human condition, bringing the power of an open hybrid cloud and AI strategy to life for our clients and partners around the world.

Restlessly reinventing since 1911, we are not only one of the largest corporate organizations in the world, we're also one of the biggest technology and consulting employers, with many of the Fortune 50 companies relying on the IBM Cloud to run their business.

At IBM, we pride ourselves on being an early adopter of artificial intelligence, quantum computing and blockchain. Now it's time for you to join us on our journey to being a responsible technology innovator and a force for good in the world.

Are you craving to learn more? Prepared to solve some of the world's most unique challenges? And ready to shape the future for millions of people? If so, then it's time to join us, express your individuality, unleash your curiosity and discover new possibilities.
