

Financial Controller

... to the fastest growing Danish Shipping Company

Celsius Shipping offers an attractive position as Financial Controller in the Accounting & Finance department. You will become part of a dynamic and challenging business with attractive personal development opportunities for the right candidate.

Celsius Shipping was founded in 2012 and is a full-service ship owning company with a strong growth story. The company has its offices in Copenhagen, Monaco, South Korea, and Hong Kong.

The role as financial controller is in our finance team in Copenhagen. The team works closely with both capital partners as well as internal stakeholders to ensure valuable insights into the financial performance of the vessels. Together with our international equity partners, we have built a strong presence in the major shipping segments via timely acquisition of maritime assets.

In Celsius we empower our finance professionals to take the full responsibility for the financial management of a fleet of vessels. This approach ensures a versatile job environment where no day is the same and where priorities can shift quickly. Celsius Shipping is a dynamic company undergoing a lot of growth, this requires good communication skills and ability to assess and adapt work processes on an ongoing basis.

The Position:

As our financial controller you will be involved with all aspects of the financial management including bookkeeping, reporting, controlling of financials and cash flow forecasting. You will work closely with the operational team on a day to day basis to secure timely and accurate invoicing of TC-hire and payment of creditors. The job includes a wide variety of tasks, the main ones are listed below:

- Account receivables/payables
- Monthly and annual controlling and reporting
- Bookkeeping including depreciations and accruals
- Monthly bank-, debtor- and creditor-reconciliation
- Monthly and annual controlling and reporting to key stakeholders
- Annual audit process

**The Profile:**

- As a person you are efficient and energetic with a good team spirit.
- You can communicate with all layers across the organization, including international partners.
- You are result-driven, structured and enjoy delivering high quality work.
- Our preferred candidate has a few years' experience from a similar position in a shipping company.
- Native proficiency in Scandinavian language and strong verbal and written communication skills (English).
- A University degree in Economics or Finance (HD, B.Sc. equivalent.)
- Strong analytical capabilities within Finance and accounting.
- Experienced and advanced user of both Excel and PowerPoint.
- Experience with Microsoft Dynamics NAV is an advantage

We offer:

- A competitive salary package and employee benefits.
- An opportunity to work from Copenhagen in a dynamic and international environment.
- A challenging and rewarding job with a high degree of responsibility.
- The opportunity to be part of a successful team with competent and supportive colleagues.
- An attractive career path within Finance and controlling in the maritime industry.
