

KLIFO is looking for a Clinical Supply Coordinator for our Glostrup office

The position as Clinical Supply Coordinator:

As a Clinical Supply Coordinator you will support Clinical Supply Managers and be involved in supply activities, such as:

- Prepare and approve label text according to Annex 13
- Order packaging materials and labels
- Prepare packaging records and other study specific documents
- Control printed study specific labels
- Coordinate return and destruction of IMP
- File GxP documents
- If relevant; Plan, coordinate and handle smaller clinical trials
- Coordinate and collaborate with other CMO/CRO's
- Ensure high quality level to meet customer and KLIFO requirements

The qualifications of the Clinical Supply Coordinator:

- An ideal candidate is a person committed to creating and delivering solutions that meet individual customer needs.
- Also, the person must have a positive, proactive and flexible personality.
- The candidate must have relevant competencies and experiences including:
 - Pharmaconomist or equivalent
 - Experience from the pharmaceutical industry, biotech or CRO, preferably as a Clinical Supply Coordinator or similar
 - Ability to work in a flexible and changing environment
 - A high-quality mindset

- Ability to prioritise different tasks to meet strict timelines
- Team oriented personality with high degree of flexibility
- Good communication skills (written and oral), in both Danish and English

We offer:

- An inspiring working environment in a growing company
- High job variation
- High level of influence
- Salary according to qualifications
