

Dry cargo operator

We are looking for a dry cargo vessel operator, who can efficiently and with diligence operate all kinds of voyage and time charter fixtures.

Someone, who thrives with a challenge and can thoroughly and safely get our vessels within their itinerary while keeping our interests as main priority and maintaining customer satisfaction.

About the position

You will be based in our office in Hellerup/Copenhagen, but at times sit in, with the team, in Antwerp. Permanent relocation to Antwerp is a possibility if desired.

- Instructions to vessels both on single-trip basis and period and close daily communication.
- Daily contact to interests in our value chain such as charterers, broker, agents and others.
- Predict and prevent problematic situations.
- Daily updates in our IT-systems such as IMOS & SEDNA including daily control and awareness as to how to optimize the current P&L.
- Purchase of bunkers and monitoring of bunker market as to secure the best purchase dates.
- Issuing laytime statements, settling, closing voyages & claims handling
- Maintaining tidy electronic filing system enabling quick access to correct data.

About you

You have min 3 years of dry-cargo operations experience. Sea-going or other shipping experience is an advantage though not a must. You are ready at times to travel for vessel operations and see a value and pleasure in doing this.

Furthermore, you;

- ..have a multicultural understanding and the preference to work in such an environment.
- ..are proactive in your daily doings and take ownership of your tasks paying attention to details.
- ..have desire to identify and help solve problems and opportunities for the company.
- ..are able to build and nurture relationships with our stake-holders.
- ..hold an EU residency or working permit for Denmark and/or Belgium

About us

We are a young but established dry-bulk operator (<https://colibulk.com>), but part of the more well-known German shipping group (<http://www.coli-shipping.com>).

We are currently a team of 8 people sitting in Antwerp and Copenhagen and have financial assistance and backing based in Hamburg.

We are passionate about shipping and trading and take pride in running ‘the extra mile’ to meet our client’s needs with dignity. Continuously, we seek to establish long term relationships with our partners with integrity as part of our core mission and values.

Application

During March we will continuously conduct interviews for a target start in May or June. Please do not hesitate to contact us if you wish to know more about the job.

All enquiries will be handled with utmost confidentiality and you can reach out to;

Jesper Mehlsen Bab, Senior Freight Trader, admin@colibulk.com, mob +45 29106492 or
Svetoslav Todorov, Head of Operations, admin@colibulk.com, mob + 32 491634089
